Could you tell us
what is going on?

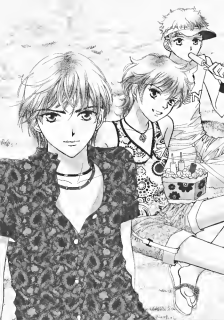

Is she your
girlfriend?

Something
wrong

I spent 30 days

!

Please I want to
do it! Show it to
me.

Ah, hello guys.

You don't need
your greeting!
Give it to us!!

I cannot do
that.

My father made
me do it. It is really
painful for me.

Angry or
not?

Stop calling
myself
an angel.

Are you
satisfied?

Do you feel anything
after destroying
something that is
very important to
me?

I think you are
the one who is
a robot.

You are a child like
the rest of us. Yet,
you don't smile and
don't cry.

I think you
will remember
that?

How could
I forget?

It was my first
time seeing you
cry.

What's that
though?

I am well going
back to Japan now

I don't care.

Just be by my
side.

By the way, don't
quit your job.

You told me
to act like a
jester?

It is so fun.

You looked really
happy on TV!

I wouldn't be
able to do this job
for long anyway
because of this.

How?

My father
it is amazing that
he left me alone
on the

Shinichi

Oh, he must
know it

Very -
interesting

Yes, sir

That was an
unexpected output.
I suppose he has
enjoyed his retirement
enough.

Bring him back to Chicago
by any means necessary

And make sure that
those two will never see
each other again

"I will return
your flower to
you"

That...

Let...

Do not worry
too much

His father is very
angry now

He let them be together
for 2 years in Tokyo.
As if that wasn't enough,
now that in Korea.

But the time
is...

As long as their
feelings remain true,
it is hard to separate
them.

Is that all you
trying to say ?

And I want you to
tell this story to Yuna

I have an interesting
story for you

What are you doing?
I told you to lower your legs!
I didn't tell you to slide your
feet out!

Don't flying
starts very
well ...

well, she
should be good
After all, she
went out with
Koko and Pilyu

I guess
they went
skating together
a lot ...

Don't worry
and ...

아...
아...
Get out
of the
way!

Coupling
parade?

That sounds
fun!

You know what our
club is going to do?
Looking after gardens.

Down at the hall
of this school is
literally a forest.

I didn't think
you'd join a
flower-arrange-
ment club...

You also wanted
to join them.

Why did you
quit?

I was just curious.
I thought they'd form
watermelon or
strawberry. But all they
do is look after some
plants.

Why did you
ever want to
join a club like
that?

Garden plants
are unlike me.

The teacher
that I once thought
wasn't my teacher
wasn't my teacher
but she was
my teacher.

My teacher
wasn't my teacher
but she was
my teacher.

that still I prefer
teacher over flower
and I but flower that
the same.

A, sometimes you
love an apple tree, but
all it could do was look
at it and die and right
next to each other.

That kind of
love story is
a little sad,
you know?

In order to feel
each others' souls,
other communication
is required.

That is
also someone's
privilege.

about?

And that
perhaps is
to be
stopped
actively.

about?

Oh, the triangle
look at that?

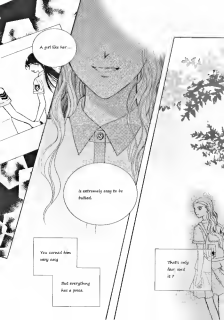

There was
nothing going on.
It was just...

Just what?

A girl like her...

is extremely easy to be
bullied.

You cannot help
being easy.

And everything
has a price.

That's why
don't need
it?

HACKED BY ANGEL

What...
 someone has already
 gotten in?

Normally, Angel
 replaces the main file
 to log...
 But no, that is

ANGEL

And now is
 "Angel"?

Working up
 a plan

I wonder who
 it is?

If you are still
thinking about
what I said...

About Austin

No

I was the
bad one...

Guilt talking
like that!

Austin may not be
as strong as he seems
to be, but at least he
acts strong in his
sleeve

You are our "Father"
You may feel weak,
but you are still a father
to us

At least pretend to show
some inner strength in front
of us, your own children!

What's this guy
screaming?

Impending
danger, and
the death of
our hero!

Heel like there
wasn't no one
my friend!

Now that
this...

Butler

Up the way

Where am I?
How did I get
here?

Does it
only do it
hardening me in
mouth?

Anything?

Even if not
far away

Yes?
Yes.

Let me
repeat again

If you do the same as you
did in your middle school,
you will not go unpunished,
get it?

Yes...

He must be
dark now...

마도 안돼! NO WAY!

Private lesson. If all my age, not one
wanted to study!

Hey, aren't
you going?

Telling her house

If I refuse, I am sure he will
demand that I show my hand.
She is the same age as me, so I think
I might be able to convince her
and stop her lesson by convincing
myself with the practice...

But she seems fearless.
She could not win me.

Should I tell her
that she is too good
to teach me?

What to do...

What to do...

...

저러저러 저러저러 저러저러

Aaaaah !

I am going to
punish you like
this if you
behave like this
when we are
studying

Keep that in mind.

CLAMP

What kind
school is
this thing did
this to me ?

You're raised yourself
by pulling wrong
pots. I fear your future

Get up

Where have
you been?

What?

Just some
place.

No, he is not going to tell me

The matter is
a little complicated
now

What do you mean.
Don't you want more
time?

See you

Redhead woman
knows the people
around

I pretended that
it wasn't me who
did that over yet.

Let's wait
before we go.

But I am at
a local
supermarket.

Come quick then.
I will buy you
an insurance.

We apologize, sir
But we were ordered ...

Just get particular
to finish me ?

After ...

IIA

You are useful for me.
Amazing ability. I'd say

Of course,
you wouldn't be
here, to keep
your beautiful girl
healthy

and your
hand off me.

I don't know if
that was intentional.

But your fearful
return has been
predicted.

What is it?

These are from
cell phone and
other companies which
you've made contracts.

They will initiate legal
actions if you break their
contracts.

And this

This ringing is
a beginning of
an end!

Hello, me

I am sure you
need nothing more

Now, I give you a choice

Now, make your choice.

You should know what
choice I would make.

I would never
negotiate with you

for an
example

Like you never
negotiated with me
about your marriage
with Gaku

So the
bride made
her name

I guess she did
listen to an
advice I gave
to her

Is there a
father?

Have^{nt} you
learned how to
greet others?

You -

Have^{nt} you gotten
tired of being all
this for a disappointing
return?

Stand up and
greet me
properly.

What the fuck
did you say to
Hana?

Even after she
believed in you,
she suddenly left
for good.

So, did you give
her your little,
mislead, advice?
Just as my father
did?

Are you trying
to be like my
father?

Put that down.

Now here is my
offer to you
on how to
acquire
father

Do you think
this way

Do you think
this way
is the best
way to get
father

Those think
you as a good
willed person

when you let her
use your will which
you didn't want
she thought you did
as out of good will

You throw away
what one can't
never live with
wrong feeling.

I will do like that inside
maybe it will take
for you to
your father

Don't
forget

They're
different
enough.

Hey, old man.
Do you love her
even slightly?

Oh, it is
the answer?

Of course, you'd
know what the team
looked like, right?

「You know
the detective
agency, right？」

「You know the
agency, right？」

「You know the
agency, right？」

You have just
created a big
mess.

I will not return.

It was fun
while it lasted.

What?

Run, pink coat.

Run!

The girl
changed her
mind.

Student
rule -

My new professor
is a world whose
name is Marika.

Yeah...

Marika is,
I am Marika's
partner

I am
behind

I will be
standing in
you during
school.

Direct me.

Let's get
along,
shall we?

Looking for
you today.

Must telling
your secret
to me?

Maybe I am
going to
collaborate.
I don't say
"thing"!

Yeah? Cool!

Let's go
together!

Along
with I

Don't really
mind

No real feelings
that I want ...

Even if there is a rumor
about Kibin and I being
a couple ...

It's because the
song I am ...

It's not Barbara's fault ..

It is indeed ..

His things
surrounded by
friends ..

I am not ..

Hey, don't she
care ?

Drinks on ..
You don't say again
on bar for a while

That

They should
have done
that by now
already

What would you
think me for when they
at that?

No way ...

It's not here ...

Der Hühner

Das ist toll !

Is that it?

It was important
money, and you should
have proper attention
to it.

.....

No, only the
money's gone?

Because it was
didn't bother with
anything else.

That's what

What are
you saying?

Are you implying
that I stole the money?

No...

Did I sound like
that to you?

If you put it that
way, you aren't
that clever either!

You and I were the
only ones who knew
where it was!

What's in the ?

You are being
embarrassed. You are
at fault and accept
it?

Why are
you ignoring
me?

You are the
one who is embarrassing
me!

Are you getting
cold? That?

What?

What kind
of person is
she...

What happened?

...the nothing

Nothing happened

Tell me,
Did you two
fight?

Did she say
something?

She'll think me!

*It is different
now ...*

*You knew everything from
the beginning ...*

*You thought you were
prepared for this ...*

*Whether it is past
or present*

*You have no right
to judge my decisions*

Why ...

is still happening ...

This is not
working

I know nothing
about her

We got into an
argument and
simply glared
at each other

Maybe we
could talk
things out

Don't they?

I... am sorry
about before.

I overreacted.

So... don't you
think we need
to find a
solution to...

So, that was
Don who accused
you?

Isn't this the one
on the school board?

She looks
like some
actress!

She looks
like some
actress!

You are already
spreading the words?

What ?!

FEEL
OK

That's right...

"That was...!"

"I was focused!"

"I feel
restrained!"

"Just what kind
of drink is this?"

"How did he
over..."

"I can't even
understand
such a person!"

"You have no
right to judge
my decisions."

Your mother...?

My mother is a
very beautiful woman.
I love her very much.

I love my mother
very much.

Let's go, really ~

What? ~
What do you
mean by
that?

Sorry,
dude. I have
to go to a
lecture.

You left
school like
this?

Well, it has
to be somewhere
anyway.

Why did you
school or late
anyway?

www.yaonliyaho.com

How are you doing?

It's night in Seattle.

How old?

My name is
Li Yanyan.
I'm 17 years old.
I'm from China.

I'm a student at
the University of
Washington.
I'm studying
English.

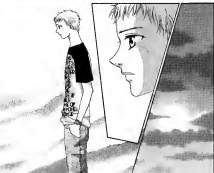

I'm
a student at
the
University of
Washington.

...and...

...and...

...and...

...and...

When, I said
before that
happened

That really sucks

Sorry—

You are not the
one who should
apologize.

Give me a few
days to think.

It will be hard to
make someone feel it
that it happened after
school. I will inform
the teacher also.

I was going to
hand out for a
week-end...

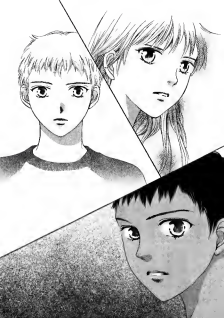

Sorry, we needed
the money.
I'm scared to
do that if

Ah, that
reply—

Am Hyang is worried
in this ...
It will be better not to
get too involved in this
any further ..

What are you doing here?

Nothing. It's about after school activities.

Is that up?

Yes, are you proud?

You, I do.

I cannot forget

Long, Philip ..

And now you
claim that I am
being a child ?

You've always
wanted what I have.

You've always
wanted to get
involved in
what I do.

And now you
claim that I am
being a child ?

Really?

Say what?

I didn't say anything
about the thing
since I felt that it
was my fault.

You don't
understand.

I admit that I had
some interest in her,
but I had no intention
to interfere.

That one day, she
told me

Really?

I am not interested in him.

I just wanted to try him
out since he was popular.

I did not steal her
from you!

Stop,
Robin!

The really
one that is

Mmmh...

Philip is
not coming!

Not
rich

Just saying it
not coming,
either

is that not?

I guess it will
be only one
of us then.

I hoped that Philip
would be here...

Es war die erste
Liebe.

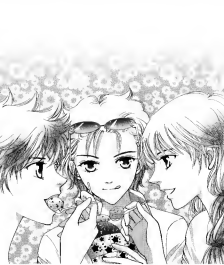

Es war die erste
Liebe, die mich
wirklich
verletzte.

Es war die erste
Liebe, die mich
wirklich
verletzte.

Es war die erste
Liebe, die mich
wirklich
verletzte.

Whispered

Come on, what
is it about? I don't
have money left for
this month. Let me
tell father --

Don't!

I don't need
it --

Don't tell
father, okay?

You, why
should I pay
for that?

It isn't
my fault --

Even at ...

The book was
given to me ... at ...

Mignon?

I think it ...

What was
that?

That was
naïve !

It's not like
I did it on
purpose !

The flower
wasn't even
opening !

I named it for
a name girl only
recently ...

It's not a flower,
right ?

Yeah,
Prelude 1

I moved

あー、...

あー、
うん、

What happened?

Nothing—
I just wanted
to be here.

About I
talked to
you, I

He is either
telling or on a
mission.

Thanks, you really
do think I want you
to continue modeling

Well, that's the
job. I do know that
you care much for
a good face though

Yes, I do wish I

Do you remember
where we started
being in Kyoto?

You were
always fighting
at school ...

And you were
always drinking
after school with
your band members.

Later on
I'm going to
take you back,
you promised.

You never
came home ...

Itobu was "dead"
during that time

Thank you,
because of you
I...

Yume.

It was you who
pulled my hand.

*I did ask you
to tell me ...*

*If I had done
something
wrong ...*

*I didn't tell you
to be springed.*

*Maybe you would
have springed if you
felt so.*

*There's a
chance
that you
will be
springed
if you
feel so.*

Remember me ...

Remember if
you can

That's because ...

he lets me see the truth ...

and he lets never been
troubled by anyone ...

Yumei ...

Should you become
someone who he can
rely on one day ... ?

That it is female...
That it grows up
physically...

That he is still a kid
inside...

Take this

What's this?

A gift for your
new independence.

A lovely theme.

It's... (faded text)
belonging where
you adored to watch

You must be stronger
so that I can keep
watching over you.

Good ...
many wounds
on Aeneas—

is healed—

Right ?

family...

You visit my home
each time, I will
introduce you my
sister and father.

I will wait you

Up until then.

Minami!

Don't touch
me!

Liar!

I was informed by
him and came here
as soon as possible

And here you
are already

Mr. Minami
I —

You had enough
of your life!

You said you'd
return my fiance!

A liar!
Coward!

You know that he'd
chase you to Korea
when you left, didn't
you ?

Momoko ..

I told you not
to touch me !

Do you really think
he loves you ?

You are mistaken !

Before he took you
to Egypt, you should
offer a sacrifice, right?

Yes...

Remember me,?

Yes, Sir!

The witness?

THE
GOLDEN TRAIL

Do you
understand
what I am
saying ?

Yes, you are just a
mere thing that comforts
him, and his deceased mother !

That's a lie —

"Tell me about
Koushiro now."
